

God's Word

By: Pastor Willard Pyle

-Psalm 23:1-6

God can make His Word real to you. We need to gladly receive the word of God. This is a victorious psalm, it tells about the total accomplishments of God: the past, the present, and the future.

David was in deep trouble when he wrote this Psalm. People wanted to kill him, but he sought the will of God. This psalm deals with how God deals, uses, knows, and takes care of His saints. This psalm was predestinated of God, for a particular purpose.

-Isaiah 55:11

The entire Bible is inspired and vital. God is Sovereign and His word will accomplish what He pleases.

-John 20:30,31

A lot of people are trying to dig up things that weren't written in His book. His Word was purposed to draw lost sinners. It will do what God said it would do.

-I John 5:13

God's Word did prosper, some believed the Word of God.

-Romans 1:16

Do not be ashamed of the Gospel, that's what people need to hear. This book was written on purpose to God's people. This is a gift of God to us. God's word is profitable, it will bless you and inspire you. Nothing is more valuable than God's Word.

-II Timothy 3:15-17

Preachers have to be on their face before God and will give an account of what they preach. God's Word is precious and the devil would love to get rid of it, but he can't. Thousands of people have died defending it.

-I Peter 2:6,7

Jesus is precious; therefore, His Word is precious. Mary chose the good part to sit at His feet. The truth of God's word has blessed and assured many suffering saints. It is a powerful book.

-John 6:63

God's Words are life; God blesses His Word. The heart of Psalm 23 is the preeminent One!

-Colossians 1:18

Jesus is to have the preeminence in the Church, our marriage and our lives. God never forsakes His saints. God's Word is personal-"The Lord is **MY** Shepherd, **I** shall not want." Isn't it wonderful to have that personal relationship with God, who is over everything, no matter what the circumstances?
