

Strength

By: Pastor Willard Pyle

-Romans 5:6

We cannot save ourselves; salvation must entirely be of the Lord! When you realize you're without strength, you cease trying to save yourself. People are trying to live godly lives, and they don't have the power or ability to do that in themselves.

We are totally dependent on God for the strength we need. Elijah found that out! He stood up in front of false prophets, then went the other way and couldn't live the life he wanted to live. You can also study Peter, David, Lot and others. God has to save us, keep us, and provide for us.

-Deuteronomy 33:25

Thank God He gives strength to His people. When the events of our life change, we need strength. We need the same power when we're strong and when we're weak.

-II Corinthians 12:7-10

Our surroundings can change, our health and finances can change, but God never changes! How rapidly Job's life changed, he lost everything in a hurry. Joseph's life changed and the Bible tells us God was with him.

You find strength and help when you're looking to Jesus. You find help when you realize you can't do it by yourself. You find strength when you walk in the Spirit. You find strength when you lean on the everlasting arms. You find help when you cast all of your care on Christ. You find strength when you're standing on the promises. You find strength when you remember what God's done in the past. You find strength when you go to the throne of God, the throne of grace. You find Strength by going to the House of God and meet with God and meet with God's people. You can find strength when you wait on the Lord.
